

Terms & Conditions

By downloading or using the app, these terms will automatically apply to you – you should make sure therefore that you read them carefully before using the app. You're not allowed to copy, or modify the app, any part of the app, or our trademarks in any way. You're not allowed to attempt to extract the source code of the app, and you also shouldn't try to translate the app into other languages, or make derivative versions.

By downloading or using the App, you undertake to respect our intellectual rights (intellectual rights related to the App's source code, UI/UX design, content material, copyright and trademarks, hereinafter referred to as the "Intellectual Property Rights") as well as those owned by third parties.

As long as you keep using the App, we grant you a limited, non-exclusive, non-transferable, non-sublicensable, non-assignable and revocable license to access and use the App pursuant to this Agreement (the "License"). You may use our App solely for your own non-commercial purposes. You are bound to respect the copyrighted material within the App, you cannot sell pictures, videos and/or other content available in the App.

The source code, design and content, including information, photographs, illustrations, artwork and other graphic materials, sounds, music or video (hereinafter – the "works") as well as names, logos and trademarks (hereinafter – "means of individualization") within the App are protected by copyright laws and other relevant laws and/or international treaties, and belong to us and/or our partners and/or contracted third parties, as the case may be.

These works and means of individualization may not be copied, reproduced, retransmitted, distributed, disseminated, sold, published, broadcasted or circulated whether in whole or in part, unless expressly permitted by us and/or our partners and/or contracted third parties, as the case may be.

All rights, title and interest in and to the App and its content, works and means of individualization as well as its functionalities (1) are the exclusive property of Lomray Software LLC and/or our partners and/or contracted third parties, (2) are protected by the applicable international and national legal provisions, and (3) are under no circumstances transferred (assigned) to you in full or in part within the context of the license herewithin.

We will not hesitate to take legal action against any unauthorized use of our trademarks, names or symbols to protect and restore our rights. All rights not expressly granted herein are reserved. Other product and company names mentioned herein may also be the trademarks of their respective owners.

Lomray Software LLC is committed to ensuring that the app is as useful and efficient as possible. For that reason, we reserve the right to make changes to the app or to charge for its services, at any time and for any reason. We will never charge you for the app or its services without making it very clear to you exactly what you're paying for.

The "Keepo" app stores and processes personal data that you have provided to us, in order to provide my Service. It's your responsibility to keep your phone and access to the app secure. We therefore recommend that you do not jailbreak or root your phone, which is the process of removing software restrictions and limitations imposed by the official operating system of your device. It could make your phone vulnerable to malware/viruses/malicious programs, compromise your phone's security features and it could mean that the "Keepo" app won't work properly or at all.

You should be aware that there are certain things that Lomray Software LLC will not take responsibility for. Certain functions of the app will require the app to have an active internet connection. The connection can be Wi-Fi, or provided by your mobile network provider, but Lomray Software LLC cannot take responsibility for the app not working at full functionality if you don't have access to Wi-Fi, and you don't have any of your data allowance left.

If you're using the app outside of an area with Wi-Fi, you should remember that your terms of the agreement with your mobile network provider will still apply. As a result, you may be charged by your mobile provider for the cost of data for the duration of the connection while accessing the app, or other third party charges. In using the app, you're accepting responsibility for any such charges, including roaming data charges if you use the app outside of your home territory (i.e. region or country) without turning off data roaming. If you are not the bill payer for the device on which you're using the app, please be aware that we assume that you have received permission from the bill payer for using the app.

Along the same lines, Lomray Software LLC cannot always take responsibility for the way you use the app i.e. You need to make sure that your device stays charged – if it runs out of battery and you can't turn it on to avail the Service, Lomray Software LLC cannot accept responsibility.

With respect to Lomray Software LLC responsibility for your use of the app, when you're using the app, it's important to bear in mind that although we endeavour to ensure that

it is updated and correct at all times, we do rely on third parties to provide information to us so that we can make it available to you. Lomray Software LLC accepts no liability for any loss, direct or indirect, you experience as a result of relying wholly on this functionality of the app.

At some point, we may wish to update the app. The app is currently available on iOS – the requirements for the system (and for any additional systems we decide to extend the availability of the app to) may change, and you'll need to download the updates if you want to keep using the app. Lomray Software LLC does not promise that it will always update the app so that it is relevant to you and/or works with the iOS version that you have installed on your device. However, you promise to always accept updates to the application when offered to you, We may also wish to stop providing the app, and may terminate use of it at any time without giving notice of termination to you. Unless we tell you otherwise, upon any termination, (a) the rights and licenses granted to you in these terms will end; (b) you must stop using the app, and (if needed) delete it from your device.
